CIRCULAR

Sub:- Research and Development Cell - Instructions to research scholars and supervisors to give due credit to mentors and institution while publishing articles - Reg.

Ref :- 1. Circulars of even no. dated 27.04.2022 & 20.01.2023

Research scholars of Kannur University (including affiliated colleges and other approved research centres) are hereby directed to include the names of their respective research supervisors, while publishing any research articles/papers. Further, all faculties and research scholars are instructed to **include the name of Kannur University, as the last line of address of the authors** when research articles are published so that Kannur University gets affiliation when data on publications are captured online by various agencies.

The address line shall be as follows,

1. First author - Research scholar
2. Corresponding authors - includes name of research supervisors
3. Name & Address of the department/college/research centre where the candidate is doing research
4. Kannur University

All research scholars and supervisors are instructed to strictly comply with the above.
